## DEDICATION

Miss Mary O. Patton

WE SENIORS HAVE eagerly looked forward to the day of our graduation. At times we reminisce over the pleasant times we have had within the portals of our alma mater during our quest for knowledge and the better things of life.

There are many that have made the days pleasanter, the road a little smoother, but ever present in our memories will be someone who is considered a true friend by all, Miss Patton, one of our 12A sponsors and head librarian. Therefore, we the graduating classes of 1951 do humbly dedicate this yearbook to you, Miss Patton, as a symbol of our undying gratitude for all you have done for us.

## INTRODUCTION

Dear Readers,

This is your 1951 Yearbook. Its theme is Alladin and his magic lamp. We hope that this book will open up for you, students, a Magic Wonderland filled with reminders of your school days, friends, teachers, classes, activities, and the little things that fill your heart with an unbelievable happiness. For parents and teachers may it be a memory pathway of duties well done and make your chests fill with pride.

We sincerely hope that in the puff of smoke from Alladin's small lamp you will find bits of magic from the days that you will remember always as the happiest days of your life.

Sincerely,

The Staff

## OUR APPRECIATION

The yearbook staff wishes to offer our sincere thanks and appreciation to the many people and organizations that have so greatly aided us in editing and making a success of the 1951 Cuyahogan. We would like to thank especially our advisers, namely Mr. Sauer and Miss Sears, for their co-operation and patience in their outstanding efforts to maintain a successful yearbook throughout the years. We wish to give special recognition and thanks to Donald Hartsough for the time and effort he put into the yearbook making it financially possible to be published. We would like to thank the M. O'Neil Company of Akron and all persons for their time and assistance in contributing to the photography of this book. Our deepest appreciation goes to Mr. DeWitt for his co-operation, advice and assistance in all matters we have put before him, to the teachers and club advisers for their splendid assistance, and to the merchants and business men of the city for their generous contributions. We especially wish to express our sincere gratitude to the student body whose confidence, co-operation and financial backing has been a great and helpful factor in the preparation of the 1951 Cuyahogan.
